“FAR ORBIT” SPECULATIVE SPACE ADVENTURES

Alpena, MI (April 29, 2014) – **World Weaver Press** (Eileen Wiedbrauk, Editor-in-Chief) has announced ***Far Orbit: Speculative Space Adventures***, a new anthology of modern space adventures edited by **Bascomb James**, is available in trade paperback and ebook today, Tuesday, April 29, 2014.

Praise for *Far Orbit*:

“Successfully captures the kinds of stories that were the gateway drugs for many of us who have been reading science fiction for a long time. Well done!”

– *Tangent*

“Daring adventure, protagonists who think on their feet, and out of this world excitement! Welcome to *Far Orbit*, a fine collection of stories in the best SF tradition. Strap in and enjoy!”

– Julie E. Czerneda, author of *Species Imperative*

Wiedbrauk commented, “I’m proud to present this anthology, filled with jewels of space adventure, that reinforces how science fiction can shine when it doesn’t take itself too seriously.”

Modern space adventures crafted by a new generation of Grand Tradition science fiction writers. Smart, readable, and engaging stories that take us back to a time when science fiction was fun and informative, pithy and piquant—when speculative fiction transported us from the everyday grind and left us wondrously satisfied. Showcasing the breadth of Grand Tradition stories, from 1940s-style pulp to realistic hard SF, from noir and horror SF to spaceships, alien uplift, and action-adventure motifs, *Far Orbit’s* diversity of Grand Tradition stories makes it easy for every SF fan to find a favorite.

Featuring an open letter to SF by **Elizabeth Bear** and stories from **Gregory Benford**, **Tracy Canfield**, **Eric Choi**, **Barbara Davies**, **Jakob Drud**, **Julie Frost**, **David Wesley Hill**, **K. G. Jewell**, **Sam Kepfield**, **Kat Otis**, **Jonathan Shipley**, **Wendy Sparrow**, and **Peter Wood**.

Far Orbit: Speculative Space Adventures will be available in trade paperback and ebook via Amazon.com, Barnesandnoble.com, Kobo.com, and other online retailers, and for wholesale through Ingram. You can also find *Far Orbit* on Goodreads.
