NOW OPEN TO JUNE 2014 SUBMISSIONS!

Alpena, MI (June 17, 2014) – **World Weaver Press** (Eileen Wiedbrauk, Editor-in-Chief) is celebrating a new phase of the company with the unveiling of their updated website and logo, now live! The new site can be found at www.worldweaverpress.com.

“Not only have we streamlined content, but we now have the capability to take online orders directly through our site, including ebook orders with instant digital delivery,” commented **Wiedbrauk**. “We’re on track to make the leap from “small press” to “mid-size press” in 2014. We continue to grow, to mature as a press, as editors and publishers. We’re watching our authors grow, and we’re so impressed with what they’re doing and the direction their novels and series are going. We’re bringing those books to you as fast as we can, and I hope you’re enjoying reading them as much as I am.”

The new website offers readers the ability to purchase direct from the publisher for pre-orders and paperbacks, as well as ebooks with instant digital-download ability.
