Praise for *Opal*:

"A fairy tale within a fairy tale within a fairy tale – the narratives fit together like interlocking pieces of a puzzle, beautifully told."
– Zachary Petit, Editor, *Writer's Digest*

"Twists and turns and surprises that kept me up well into the night. Fantasy and fairy tale lovers will eat this up and be left wanting more!"
– Kate Wolford, Editor and Publisher, *Enchanted Conversation*

White as snow, stained with blood, her talons black as ebony.. In this retwisting of the classic Snow White tale, the daughter of an owl is forced into human shape by a wizard who's come to guide her from her wintry tundra home down to the colorful world of men and Fae, and the father she's never known. She struggles with her human shape and grieves for her dead mother – a mother whose past she must unravel if men and Fae are to live peacefully together.

Kristina Wojtaszek grew up as a woodland sprite and mermaid, playing around the shores of Lake Michigan. At any given time she could be found with live snakes tangled in her hair and worn out shoes filled with sand. She earned a bachelor's degree in Wildlife Management as an

excuse to spend her days lost in the woods with a book in hand. She currently resides in the high desert country of Wyoming with her husband and two small children. She is fascinated by fairy tales and fantasy and her favorite haunts are libraries and cemeteries. Follow her [@KristinaWojtasz](#) or on her blog, [Twice Upon a Time](#).
