“THE WEREDOG WHISPERER” / SUSAN ABEL SULLIVAN

Alpena, MI (October 31, 2013) – **World Weaver Press** (Eileen Wiedbrauk, Editor-in-Chief) has announced ***The Weredog Whisperer*** by **Susan Abel Sullivan**, a new novel in the “Cleo Tidwell Paranormal Mystery” series will be available in trade paperback and ebook on Tuesday, December 31, 2013.

Praise for the Cleo Tidwell Paranormal Mysteries:

The Tidwells are supposed to be on spring break on the Florida Gulf Coast, not up to their eyeballs in paranormal hijinks ... again. Bertram wants a baby, but Cleo isn’t real keen on the idea. After all, her sister, Molly, has four of ‘em—who needs more? Hoping to throw Bertram off the baby trail, they adopt Luna, a white pit bull terrier, and take her to Florida with them, along with Bertram’s mother and Cleo’s nieces. Everybody loves Luna, especially the goofy little dog at a tacky tourist trap touting something called a “weredog whisperer,” so much so that he puts the moves on Luna and gives her a love bite during the throes of puppy love.

But when Luna shape shifts into a teenage girl on the first night of the full moon, the Tidwells wind up with an instant were-daughter. *Poof!* Just add moonbeams. A video of Luna’s transformation goes viral and the Tidwells are hounded by an array of reporters, sight seers, animal rights kooks, Hot Diggity Dog Pet Foods, a couple of hungry weresharks, a motley crew of weredogs, and AASS—a secret society of shape shifters that considers Luna an abomination and orders her immediate extermination. The Tidwells’ vacation has gone to the dogs—literally—as they jump through hoops to protect their unexpected new were-daughter from a dog-eat-dog world.

The Weredog Whisperer will be available in trade paperback and ebook via Amazon.com, Barnesandnoble.com, Kobo.com, and other online retailers. You can also find *The Weredog Whisperer* on [Goodreads](#).
